LEADING WITH VISION:

PRINCIPAL MODY SCHOOL MS.CHARU SHARMA
INSPIRING EXCELLENCE EVERY STEP OF THE WAY

PRINCIPAL'S INSIGHT.

"The pen is mightier than the sword, for by the sword are mortal battles wages, but by the pen entire cultures swayed."

In the capacity of being the principal of this distinguished school, I unwaveringly believe in the exotic concoction that a pen can create and the strong foundation of character that holistic educations can nurture.

There is no end to education. It is not that you read a book, pass an examination, and finish with education. Education is a life long learning, it is the power of the pen, through which we wield not just words, but the ability to shape minds, inspire change, and build bridges of understanding. I am delighted that my team has embraced this formidable tool of learning to illuminate, educate, and empower ourselves and others. Learning is more about involving, experimenting, exploring and conquering fears of all kind. Learning is like a perennial river that for themselves a cooling covert make against the season of ignorance. Thus in a nut shell I would only congratulate all my budding writers, artists, painters and compilers who have contributed in their big and small way in the making of this e-magazine PRATIBHA. This magazine as the name symbolise is the remarkable exhibit of your pratibha, talent and expertise. The magazine would not have taken shape without the seed of your latent talent sprouting like a sapling breaking the hard crust of hesitation.

My dear students and faculty members you have resonated the great author and editor Charles Dickens' words who said:-

"But I never could have done what I have done, without the habits of punctuality, order, and diligence..." -.

I once again congratulate you all for personifying industriousness and shaping the school e-magazine PRATIBHA.

May Kanha continue to empower you to create things of beauty with your pens and words!

MS. CHARU SHARMA
Principal, Mody School

EDITOR'S HUB

"A dream doesn't become a reality through magic; it takes sweat; determination and hard work"

As I sit down to write this editorial for the second year in the competency of being the proud editor of the wonderful school magazine PRATIBHA; feelings of nostalgia and sense of pride gently hover around me whispering into my ears the interesting struggles of compilation, the unsaid pain of constant weaving of each article or piece of art into a garland of insightful thoughts that is now ready to be admired and explored.

There were times when I was faced with roadblocks; unable to find time to assemble the stuff but I feel blessed that ma'am principal walked up to me every time I was stuck; to give me a positive push and taught me to be determined to find a way over, under, through, or around it.

Now that the battle has been won and all rough waters kept at bay, I broach with extreme delight that the school magazine PRATIBHA is a perfect amalgamation of creative writing, art work, and glance of all the rigorous school activities

conducted in the session gone by.

I take immense pleasure in thanking my entire team of teachers and students without whom materializing the dream of this publication would have just been a dead seed.

A big thanks to the Technical Help Desk team Ms.Tanvi Munjal and Kuber sir who illuminated the path forward, ensuring that I can navigate the digital maze with confidence and ease. They were just a call or a click away. Gratitude to my lord as well for blessing me to muster the courage to turn imagination into reality.

FROM TECHNICIAN'S CORNER

In today's interconnected world, technology serves as the backbone of our daily operations. However, even the most cutting-edge systems encounter hiccups from time to time, and that's where my Technical Help Desk stepped in as the guiding light through the digital maze for this array of memory collection for our school yearbook "PRATIBHA". In the preparation of the collection of the creative work of our students my role extended beyond mere technical assistance; from compiling the pictures to assembling them under categories was a lesson learnt to be as creative as our students.

On my journey as a technical supporter I could appreciate the unwavering faith of our school leader; Madam Principal; Ms. Charu Sharma in reposing her confidence in us to work for this beautiful book. I also appreciate the unflinching commitment of the magazine's editor Dr. Shakun Joshi for working with patience. The materialising of 'PRATIBHA' made me understand that behind every technical issue lies a real person seeking assistance and a one rendering all possible help. In a nut shell, it was all a great learning experience for me as an individual.

DECREASING OUTDOOR PRESENCE OF CHILDREN

Indoor games can be taken into consideration in two different aspects first one being the board games and the second being the most dangerous addiction of the electronic devices for games. Children nowadays are more attracted towards the online games, making themselves prone to issues such as low eyesight, laziness and other hazardous problems. Moreover, it seems to be very comfortable and cozy laying on the sofa inappropriately but at the same time it invites backpain and cervical pain. Henceforth, it is suggested to move out of the comfort bubble and shift to outdoor modes of gaming such as cricket, kho-kho which would result in inhaling fresh air, consuming Vitamin D and more which makes the body and mind intact, sharp and active and help every individual lead a fit and happy life.

PRODUCTIVE ENOUGH?

Newton discovered gravity when he observed an apple fall from a tree. Had he been busy in his phone scrolling through reels or probably completing assignments using chatgpt, apples would have still been falling all around him but nothing would have happened.

Artificial Intelligence has helped us become more productive, getting more done in less time.

You complete a 20 pages assignment copying everything from the internet, complete it in a day using all this technology, name this "productivity" and hand it over to your teacher but what is the use? What did you learn? Productivity is a product. Your product is an 89th copy of a code written on the internet, copied by another 89 people.

Ask a 10 year old child to draw something on paper and the chap is first going to ask for your phone to see one on the internet to copy. The changing instinct. The more advanced technology is becoming, the less advanced of a human we are becoming.

You say it's made communication easier? I say it has killed real communication. You say it has made things faster for us? I say this is simply an illusion for you. Now think- the amount of time tech saves is not greater than the time it forces you to waste. Be it its addictive nature or two hour toilet breaks- phones are mandatory, or the health cost that you think technology has revolutionised. Why do we need an advancement in health systems?

Because more people need it now than ever before. Thanks to tech and its pseudo-productivity.

You say- Technology is productive. It is just how you use it. The many names leading this industry- Steve Jobs, Tim Cook, and others have always said in interviews that they don't allow their kids to access technology. Isn't that similar to the cigarette seller never letting his kids smoke because he knows how bad it is.

Your dependence on technology is slowly eating away what it means to be a human- imaginative, creative and active. Our generation could also have its own share of Newtons and some of them might be sitting here as well. But they must be too glued to their phones to notice any apples falling. technology has made us not only less productive but also less human.

MOM YOU'RE THE ONE

Roses are red,
Violets are blue,
I exist because of you.

You're the reason I survive
You're the one in my life
You're the one who helped me crawl
You're the one who helped me walk

You're the one who help me achieve my dreams
You're the one whom I need the most
You tell me right and wrong
You're the one who makes me strong

You're the one who pampers me
You're the one who understands me
Without you my life is an empty glass
You fill the empty glass with love and compassion

You're as precious as water
As valuable as gem
You teach me what you know
You gave me what you have

You gave me what I need
You gave me what I deserve
You help me with my chores
You help me with it all

You're the one who give your part
You're the one who fill my heart
You're the one who worry about me
You're the one who cares about me

You're the one who wipes my tears
You're the one who heals me
You're the one who stitches me
You're the one who pleases me most

You're the one who encourage me
You're the one who supports me
You're the one who gives me wisdom
You're the one who gives me freedom

You're the one who stop me weep
You're the one who makes me strong
You're the one who believes in me
You're the one who scolds me
You're the first and the last love of mine.

SHE WILL NEVER BE THE SAME.

Today, as I contemplate my childhood, I can feel the streams of loving flowing in every cell of my body. I can see my younger version watching her very first rainbow, counting the stars in the night sky, sleeping with the favourite teddy, wearing the favourite cartoon nightgown, roaming everywhere to flex the very first painting, hugging everyone before sleeping, singing songs as if she is the best singer in this whole universe, crying over her last lollipop, being afraid of the dark room, collecting stones, fussing when her wishes are denied.

She's grown up now, she'll never be the same again, the carelessness is gone, she now examines herself the way others do, with the growing numbers of the years of her existence, she's lost herself, she's lost the childhood some where In between proving herself every time.

Sweet serenity you behold
Under which my problems role
How calm you be
Even when you burn like coal

The warmth you posses
To the hearts that struggles
And the secret you know
In every situation you enroll

So far still shines so bright
Eagerly makes me wait for thou
every night

Is it a true friend
Who listens to us?
To every problem that occurs

Silently replies to every questions
Of all issues
And every solutions,

Blinks at me when sees me sad
Is it thou who makes mind rest?

As high as sky,
It sees me wry
Catch me when I stumble
Is it thou who is so gently humble?

I needed to be tired of the
sunshine,

So you come see me in every
darkness

Little do I know,
You let the love grow inside
Love was pure and magical
Even other stars envied

As I explore darkness in lovely
nights
Your light was there to guide me
And I thank you whole heartedly
Every time for being there for me

Sweet serenity you behold,
Under which my problems role
How calm you be
Even when you burn like coal.

You taught me burn,
To raise glass when I win

Sweet serenity you behold,
Under which my problems role
How calm you be
Even when you burn like coal

YOU AND CHAOS

Like the slowly flowing waves
Reaching shore with a stroke
Of the numerous lively leaves
Saying goodbye without an autumn fall

Like the soft uncalled drizzle
Between the sunny coast live oak

Of the sudden stillness among
The canaries sitting on the wall
Oh why do I, then refuse to regard,

Why do I not see,
Remoting from the remembrance that rot inside
me
Relieved I fell.
Probably this is wrong,
Or probably that's how it was,
Two branches of the same tree
You and chaos

THAT BALLOON IN THE UNIVERSE

The pastel green balloon
Hopping in the universe
Trying to fit itself into the air,
Or probably trying
Not to get itself sold in the fair

The pastel green ballon
Has this hope
Of deliberately not being separated
From its rope

The pastel green ballon
Hopping with a hope

The anxiety reaches its peak
As any buyer touches the rope
Will I be sold?
Asks the balloon and the fear restores

The pastel green balloon
Fears to be away
From its master
Who taught it to sway

And even if the balloon's sold,
The master continues to
Blow a pastel green balloon
Which again revives
The laughter of the kids
Which went lost miles before.

Your eyes,
That twinkle in the night
Your hands
That say everything is fine
And your lips,
That utter soft designs
I hold them dear to my heart
When I'm out of life
Always trying to calm down
Then come home to smile
Your hug tells me
It's ok to cry
And your smile reflects,
All the joy of life
Never seen you glum,
Even in the night
A smile that plasters
With the love of life
A kind hand,
That comes forward
To lead us out of dark
And a hope assuring

 Two years felt like stories untold
 Ups and downs, laughter and tears
 Now it is ending time to face new frontiers.
 The campus ,the school , a place so dear
 Gave me confidence, friends so near
 From making food with boilers heat
 To ironing clothes with a hot water bag's feat.
 Drying clothes in the water cooler room's breeze
 birthday decorations and treats , oh please!
 All these moments now coming to an end
 Leaving behind a campus my dear friend
 But fear not, for these memories won't fade
 They'll stay with me , like a Serenade
 As I step forward onto new ground
 I'll cherish these memories forever profound
 So here's to the school that shaped who I am
 With gratitude and love , like a precious gem
 Though we part ways, our bond won't sever
 For in my heart, this school will live forever.

In the scrolls of ages, whispers rise,
 Echoes of a time with curious ties.
 Bronze gears turned in a forgotten past,
 Where magic and science danced, so vast.

Behold the wheels of the ancient sphere,
 Inventions whispered, their secrets clear.
 A clockwork heart, a steam-driven dream,
 A past where gears wove a timeless stream.

Steam and copper, a symphony played,
 In halls of knowledge, where minds were swayed.
 Tesla coils hummed, a lightning embrace,
 An era of wonder, a technological grace.

Fast forward to the now, a digital trance,
 Silicon and circuits, a relentless advance.
 In our palms, the world, a touch away,
 Science and screens, guiding our day.

Microcosms unseen, in lines of code,
 Connect us all in this vast abode.
 A neural dance with the binary tide,
 In the present, science is our guide.

Yet, in the rhythm of electrons' spin,
 A vision stirs of what may begin.
 Holographic realms, a virtual dawn,
 Where data and dreams seamlessly spawn.

Cities of light, where skyscrapers float,
 Hovering high, an ethereal boat.
 Robotic whispers, a silicon choir,
 Singing of a future we deeply desire.

Nature and tech, entwined and free,
 A tapestry of progress, as far as eyes see.
 Biomechanical hearts beat in tune,
 In the future, beneath a sentient moon.

A fusion of worlds, both old and new,
 Innovations arise, a visionary view.
 Through the prism of time, possibilities gleam,
 A future painted in the hues of a dream.

DIED IN THE SHALLOWS

Was that deliberation when your gaze scarred my being ?
 The sheer innocence of your voice which lacked the filth of lies,
 And yet when you wrote songs on your keyboard,
 It penetrated every wound I had learned to stitch,
 When the fog of temptation befell upon my eyes,
 You drew every breath of mine onto your lips,
 In the genre of romance I had found a crime scene.
 The narrative was not the creation of a villain,
 Evil grows in every heart humankind has ever sown,
 And yet the hero was the barrier distinguishing love and lust,
 It was not called critical thinking in my mind,
 I just lay a blanket of your arms around me ,
 To choke every speckle of light I withheld within ,
 And amidst the burning skyscrapers I unleashed my insanity.
 In the dump yard of hypocrisy rose the bud of love,
 To be slow poisoned and engulfed by the weeds of sorrow,
 And yet the absence of us didn't ring any reminders,
 I wrote on your tombstone with bleeding hands,
 The red that flushed was not endearing enough to be kept,
 For the last time I saw you I became a murderer in the cold,
 In the silence of your ghost I too had died in the shallows.

TEARDROP MUSE

In the melancholic glass of your silent wrath,
 I mixed the poison of my throw ball truths,
 And yet I hid under the blanket of your expectations,
 Looking for the underworld of angels to rescue me from you.
 You weren't an entity in a beastly form,
 But an enlarged visual of vulnerable cages,
 And trapped within those sheer lines of secrecy,
 Were my definitions of black and white.
 On the pages of my stagnant memories,
 You became the threshold I couldn't cross,
 And yet in the summary of your sunsets,
 I burn the healed scars of the future you wrote.
 My poetry engulfed your flaws,
 And you highlighted mine an inch for an inch,
 I gave you an eternity of untold stories,
 And you became my TEARDROP MUSE.

ME OR YOU

It was when the blinding specks of light fell on my feet,
 Where I stood within the twilight of perpetual bliss,
 The famines of yesterday had soaked in the buds,
 Upon the agony of which the ocean of me I lay,
 The waves crashed onto my broken shores,
 Demanded an answer I couldn't foresee,
 Cause a healed heart didn't defy its smiles,
 And an aching one hurt in its sleep.

It was when I looked up amongst the boundaries of chaos,
 Where the silence wasn't solely mine,
 The world was the sole spectator to my soliloquy,
 Upon the arms of which my misery resides,
 The wind of rage hushed down my mind,
 Screaming for the reasons I couldn't fathom to speak,
 Cause a brave one didn't hide amongst the quiet,
 And I didn't identify with the specificity of their categories.

It was when I finally stopped,
 I thought of giving up on the very last step,
 The defeat didn't scare me ,
 I just cried within my own head,
 The loss had come when I couldn't beat the testimony of fate,
 Shattering for the morals I was never capable of,
 Cause the perfect one handled expectations,
 And in between the road i write poetry guessing if it is ME or
 YOU ?

"A Journey of Growth: Class of 2024 Graduates Reflect"

Dear Class of 2024,

As we gear up for graduation, it's hitting me hard that our school adventure is coming to an end. These past years have been a rollercoaster of exams, laughter, victories, and forming bonds that will last a lifetime.

In the classrooms, we've tackled those intimidating textbooks and faced nerve-wracking exams together. From last-minute cram sessions to celebrating small wins, we've had each other's back. And let's not forget the talents that light up our class—whether it's rocking it on the sports field or owning the stage, we've proven we're more than just students.

But it's the friendships that have really made these years special. From sharing jokes over coffee in the canteen to pulling all-nighters for group projects, we've built connections that go beyond the classroom. As we step into what comes next, let's carry these friendships with us, holding onto the laughter and the support we've given one another.

A huge shout out to our teachers—they've been the real MVPs. Their dedication and passion have been the guiding force shaping us into the people we are today. Major gratitude to them for not just teaching us stuff but for those valuable life lessons.

Graduation isn't an end; it's a new beginning. As we face the unknown, let's be confident in the strength and resilience we've built together. Challenges might be waiting, but we're ready to tackle them head-on.

This isn't a goodbye, it's a 'see you later.' Our paths might take us in different directions, but the memories we've made will always tie us together as the awesome Class of 2024.

Here's to our growth, the friendships we've built, and the adventures waiting for us.
 Congrats, graduates!

Cheers,

कुछ नया हो जाए...

आप सभी ने कैडबरी का विज्ञापन तो देखा ही होगा कुछ मीठा हो जाएजिंदगी में जब इंसान बहुत खुश होता है तो सोचता है कि इन रिश्तों में, इस खुशी में ,मिठास के रंग हों और सब कुछ खुशनुमा ,मीठा-मीठा, स्वादिष्ट हो..... लेकिन सोचिए जरा कि अगर जीवन में कठिनाइयां ना हो, सब कुछ अच्छा हो ,मीठा हो और कुछ भी तीखापन ना हो, तो क्या हम उसे सहन कर पाएंगे? शायद नहीं।

मुझे तो ऐसा ही लगता है कि इस विज्ञापन को देखकर कि कुछ मीठा हो जाए की जगह पर कुछ नया हो जाए, क्यों ना कहा जाए ? कुछ नया ,जीवन के हर क्षेत्र में ,नई -नई की अवधारणा ही आज बलवती है। नई शिक्षा नीति जहां शिक्षा में आमूल परिवर्तन चाहती है ,वहीं जीवन के हर क्षेत्र में नवीनीकरण ही प्रगति का नया रास्ता दिखाता है।

पक्षी के पंख से लेकर हवाई जहाज तक ,हाथ के पंखे से लेकर एयर कंडीशन तक, कुम्हार के घड़े से लेकर फ्रिज तक ,छोटे से रेडियो से लेकर के संचार के विस्तार ,इंटरनेट की बढ़ती पहुंच तक, क्या सब कुछ इस नए की खोज का ही एक परिणाम नहीं है? जब तक हमारे मन में नई खोज की प्रवृत्ति बलवती रहती है हम लगातार प्रगति, उन्नति और सफलता के नए सोपानों को प्राप्त करते रहते हैं । कबीर दास जी ने भी कहा है कि भाखा बहता नीर.... बहता हुआ नीर साफ होता है ,संसार की प्यास बुझाता है। ठहरा हुआ जल एक दिन कीचड़ में बदल जाता है तो क्यों न कुछ समय के लिए हम भी सोचें .. कुछ नया हो जाए।अगर किसी ने हमारे साथ कुछ गलत किया तो सिवाय बड़बड़ाने के, उसे कोसने के क्यों न हम ऐसा करें कि उसे दुआ दे दे। कहीं कुछ असफलता मिल रही है तो दूसरे की सफलता पर , सिवाय जलन और क्रोध करने के, क्यों ना हम ऐसा करें कि उसे बधाई दी जाए। किसी रिश्ते में कोई गांठ है, बोलचाल बंद है, अनबन चल रही है तो क्यों ना आगे बढ़कर हम बात कर ले ।

कुछ मीठा हो जाए.... तो अच्छा है लेकिन अगर कुछ नया हो जाए तो और भी अच्छा है। चलिए आज से हर दिन एक प्रण ले कि कुछ नया हो जाए ।यह समय बदलता जाए ।हम आगे बढ़ते जाएं और सारी नकारात्मकता को सकारात्मकता में बदलते जाएं।

यादें

सदियों के बाद खुला है, यादों का मेला। दिल में मच गई, कोई नई हलचल सी। चाय की चुस्की और हमारा हुल्लड़ मचाना। वो गली -गली में शौर और चुहल मचाना। कैसे बताऊं? कितने याद आते हो दोस्तों। पल -पल याद आते हो, फिर रूला जाते हो। कनखियों से झांक ,बाहर को जाना। दिन भर बाहर के बाद, रात को आपबीती बताना। कैसे भूला जा दूं ? वो यादों का मेला।

एक कदम सफलता एवं स्वच्छता की ओर

इस चित्र में हम माननीय महात्मा गाँधी और हमारे माननीय प्रधानमंत्री श्रीमान नरेन्द मोदी जी को देख सकते हैं। जिसमें वे भारतीय जनता को ओ डि एफ के बारे में व्याख्यायित कर रहे हैं। जिसमे वे यह दर्शाना चाहते हैं कि खुले में शौच करना बहुत बुरी बात हैं। हमारे माननीय प्रधानमंत्री नरेन्द्र जी मोदी भारतीय जनता को महात्मा गाँधी जी के पथ पर चलने का आह्वान कर रहे हैं। खुले में शौच करना एक कानूनी अपराध है। खुले में शौच करने से बीमारियाँ फैलती है जिसके कारण लोग बीमार होते हैं। हर जगह आजकल के विश्व में शौचालय खोल दिये हैं जिससे जनता खुले में शौच ना करें। जिसके कारण बीमारियाँ कम फैले और लोग कम बीमार पड़े।

आज के युग में बहुत सारी बीमारीयाँ अस्वच्छता के कारण बढ़ रही हैं। यह उन्हीं में से एक बीमारी है। जनता शौचालयों का प्रयोग ना करके सार्वजनिक जगह में शौच करते हैं। चलिए हम इस चीज को समझाने के लिए एक संवाद का प्रयोग करते हैं जिसमें दो छात्राएँ बात करती हुई दिखाई दे रही है।

दिवाशी- क्या हुआ प्रांजल तुम इतनी चिंतित क्यों दिख रही हो ?

प्रांजल - चिंता की तो बात है, आजकल यूरिनल बीमारियां बहुत फैल रही है।

दिवांशी - कैसे यूरिनल बीमारी फैल रही है?

प्रांजल - हमारे पड़ौस में एक लड़की को यूरिनल एनफेक्शन के कारण बुराार हो गया है।

दिवाशी - अरे बाप रे! कैसे ?

प्रांजल - उसके घर के पास एक मैदान है जहाँ लोग खुले में शौच करते हैं। जिसके कारण मच्छर बहुत हो जाते हैं। जब उसने डॉक्टर को दिखाए तो उन्होंने बताया की उसे यूरिनल एन्फेक्शन हो गया है।

दिवाश -खुले में शौच करना बेहद बुरी बात है। नरेन्द्र मोदी जी ने जनता के लिए शौचालय बनवाए है। फिर भी जनता उनका प्रयोग क्यों नहीं करती है

प्रांजल - भारत सरकार ने हर जगह शौचालय बनवाए हुए है। फिर भी जनता उसका प्रयोग नहीं करती है। अभी हमें एक नई मंजिल पानी हैं। और हमारे माननीय महात्मा गाँधी के इस सपने को हमें पूरा करना ही होगा।

दिवाशी -हाँ हाँ मैं भी अपने पापा को कहकर नगरपालिका के साथ मिलकर स्वच्छता में सहयोग दूँगी।

हम सब मिलकर गाँधी जी का सपना पूरा करेंगे

‘गाँधी जी का सपना है स्वच्छ भारत अपना है।

‘शर्म करो, शर्म करो खुले में शौच बंद करो’

‘हम सबने मिलकर ठाना है,

भारत को स्वच्छ बनाना है’

कहानी की कहानी...

कहानी सुनना भला किसे अच्छा नहीं लगता। बच्चे से लेकर हर उम्र का व्यक्ति कहानी सुनना पसंद करता है। हाँ, इतना अवश्य है कि हर दौर में कहानी का रूप बदलता रहता है। पर सृष्टि के आरंभ से अनंत समय तक कहानी चली आ रही है, चल रही है और चलती रहेगी । जब मनुष्य ने बोलना सीखा और भाषा का निर्माण किया बस वहीं, से कहानी भी प्रारंभ हो गई। या यूँ कहूँ कि भाषा के जन्म के साथ ही कहानी का भी जन्म हुआ। जब तक भाषा रहेगी कहानी भी रहेगी ।

माँ कह एक कहानी - बेटा समझ लिया क्या तूने- मुझको अपनी नानी

मैथिली शरण गुप्त की यह कविता इंगित करती है कि पहले संयुक्त परिवार होते थे। घर के बुजुर्ग दादा - दादी, नाना - नानी बच्चों को कहानियाँ सुनाते थे। यह कथा परंपरा बुजुर्गों और बच्चों यानी दो पीढ़ियों को परस्पर जोड़े रखने का सशक्त माध्यम थी। इसके साथ- साथ ही इसके माध्यम से संस्कृति और संस्कार भी अप्रत्यक्ष रूप से, सहज गति से, एक पीढ़ी से दूसरी पीढ़ी तक हस्तांतरित , स्थानान्तरित होते रहते थे।

भारतीय संस्कृति के आदि ग्रंथ वेदों का एक पर्याय 'श्रुति' भी है अर्थात् सुनकर ग्रहण किया गया ज्ञान। वेद, पुराण, अनिषद् रामायण, महाभारत के प्रसंग ,बौद्ध ,जैन ,साहित्य आदि का ज्ञान बच्चों को कहानियों के द्वारा इतनी सहजता से प्राप्त होता गया कि वे स्वयं ही नहीं समझ पाए ।पंचतंत्र और हितोपदेश की कहानियों के द्वारा किस प्रकार राजकुमारों की शिक्षा दीक्षा का प्रबन्ध हुआ, भला किससे छिपा है ?

आज भले ही इस वाचन परंपरा का रूप बदल रहा है। संयुक्त परिवारों का स्थान एकल परिवार लेते जा रहे है। ऐसे में बच्चों अपने घर के बुजुर्गों के सानिध्य की छाया एवम साथ बच्चों को अपेक्षाकृत कम मिल रहा है। बदलती जीवन शैली और व्यस्ततम शहरी दिनचर्या ने भी कहानी के मूल स्वरूप एवं अस्तित्व पर प्रश्नचिह्न लगाने में कोई कसर नहीं छोड़ी। ऐसे में कहानी का रूप बदलना भी और फिर भी अपने अस्तित्व को बचाए रखना अत्यंत कठिन समस्या है।

वही साहित्य है

जहाँ न पहुंचे रवि - वहां पहुंचे कवि ।

कवि या लेखक जब अपने परिवेश, देश-काल, वातावरण समाज के प्रति संवेदनशील दृष्टिकोण रखता है और उसमें अपनी कल्पना के रंग भरकर उन्हें शब्दों में ढालता है तो साहित्य सृजित होता है। साहित्य शब्द जिसमें स और हित शब्दो का मेल है अर्थात् जिसमें सबका हित समाहित है । वही साहित्य है।

मैथिली शरण गुप्त जी ने भी कहा है कि

केवल मनोरंजन ही न कवि का कर्म होना चाहिए।

उसमें उचित उपदेश का भी मर्म होना चाहिए।

स्पष्ट है कि प्रत्येक रचना या कृति को साहित्य की संज्ञा नहीं प्रदान की जा सकती। जिन रचनाओं का उद्देश्य पाठक के मन को भटकाना हो। केवल मनोरंजन हो। जिन्हें केवल समय व्यतीत करने के लिए पढ़ा जाए । ऐसी कृतियाँ कभी उत्तम साहित्य की श्रेणी में नहीं रखी जा सकती। साहित्य का प्रमुख गुण है श्रेष्ठता एवं कल्याण के मार्ग का का अनुसरण करना।मनुष्य मात्र की सही मार्ग दिखलाना। उसमें उत्तम गुणों का विकास करना। यदि कोई रचना अपने इस आदर्श या कसौटी पर खरी उतरती है तो वह निश्चय ही महान एवं कालजयी बन जाती है। क्योंकि उसमें न केवल तत्कालीन युग बोध होता है वरन् वह प्राणी मात्र की भलाई की शाश्वत भावना से भी ओतप्रोत होती है।

रामचरितमानस एक ऐसी ही उत्कृष्ट कृति है। जो युग - युग से प्रत्येक भारतीय हिंदू के हृदय का हार बनी हुई है। आज आप प्रत्येक घर में रामचरितमानस एवं श्रीमद्भगवद गीता पा सकते हैं। श्रीमद् भगवदगीता युद्ध क्षेत्र में रची जाने के पश्चात् सभी के लिए वंदनीय है, पूजनीय है, ब्राह्म है क्योंकि वह नश्वर संसार में ईश्वर की अनंत असीम सत्ता का जयघोष निनादित करतीहै। आत्मा का परम ज्ञान प्रदान कर मनुष्य को मोक्ष का मार्ग दिखाती है। उसे अकर्मण्यता त्याग, कर्तव्य बोध से युक्त करती है।

आज कुछ प्रकाशक अपने निजी लाभ के लिए एवं लेखक शीघ्र लोकप्रियता पाने के लिए ऐसी रचनाएँ लिखते एवं प्रकाशित करते हैं जो पाठकों को भ्रमित करती हैं। उन्हें ऐसे काल्पनिक जगत में ले जाती है जिसका वास्तविक जगत से कोई लेना-देना नहीं होता अथवा जिनसे उनकी वृत्ति कुत्सित होने का भय होता है। ऐसे खोखले लेखन एवं पठन दोनों से हमें बचना होगा। तभी और केवल तभी एक उन्नत ,संयमित एवं आदर्श समाज की परिकल्पना साकार हो सकती है।

मुहावरों की कहानी

एक दिन आराध्या अपनी छोटी बहन के साथ आंगन में ख़ूब धमा चौकड़ी मचा रही थी ।खेलते खेलते दोनों बहनों में किसी बात को लेकर हाथापाई होने लगी ।तभी माँ ने दोनों को आवाज़ लगाई पर दोनों ने सुनी - अनसुनी कर दी ।

उनकी छोटी बहन गीता ने आकर पुकारा तब भी उनके कान पर कोई जूँ तक ना रेंगी। तब गीता ने भीतर जाकर मां को दो की चार लगाकर बताया।

माँ तो सुनते ही आग बबूला हो गई। आव देखा ना ताव तुरंत आंगन में आ गई ।

मां की सामने देख दोनों बहनों की सिटी पट्टी गुम हो गई ।मां के आंखें तरेरने पर दोनों ने नजरें झुका ली ।दोनों बहने कनखियों से एक दूसरे को देखने लगी। पर अब उनके पास शांत रहने के अतिरिक्त और कोई चारा न था ।किसी तरह स्वयं पर काबू रखकर मां ने दोनों को लड़ाई ना करने की सीख दी । दोनों दौड़कर मां के कलेजे से लग गई ।

तभी गीता ने कहा , 'मां मेरे पेट में तो चूहे कूद रहे हैं।' उसकी शरारती बोली सुनकर माँ की हंसी फूट पड़ी ।मां ने मुस्क्राकर सभी की गले लगा लिया। और भोजन परोसने के लिए रसोई में चली गई।

अक्षत पौरुषी : महारानी लक्ष्मीबाई

महारानी थी वह झांसी की - र कहलाई भारत जननी।

वह बनी प्रेरणा पुंज हृदय की - स्वातन्त्र्य वीर आराध्य बनी।।

लक्ष्मीबाई के जीवन पर आधारित नृत्य नाटिका अक्षत पौरुषी : महारानी लक्ष्मीबाई के साहस ,बलिदान ,देश भक्ति एवं शौर्य से भरपूर एक ऐसी गाथा है जो चंचल ,चपल ,छबीली ,मनु के झांसी की रानी लक्ष्मी बाई बनने और अंततः एक अजय योद्धा बनकर शहीद होने की अनवरत जय यात्रा है। इस नृत्य नाटिका में महारानी लक्ष्मी बाई के जीवन को आधार बनाया गया है यह ऐतिहासिक नाटिका देश भक्ति के भाव से ओत-प्रोत है।

इसके पूर्वार्द्ध में रानी लक्ष्मीबाई के जीवन के कोमल एवं संवेदनशील पक्ष को उभारा गया है। वहीं उत्तरार्द्ध में 1857 का मेरठ सिपाही विद्रोह, परिवार का भीतरी आंतरिक संघर्ष एवं अंग्रेजों के खिलाफ झांसी का विद्रोह ,रक्तपात, युद्ध के मैदान, विजय एवं अजेय मृत्यु का गौरवशाली अंकन है। वस्तुतः यह नाटिका किसी महाकाव्य की भांति एक बड़े संघर्षशील जीवन को इतिहास से जोड़ने का लघु प्रयास है।

अक्षत पौरुषी नाटिका का प्रारंभ मंगलाचरण के रूप में महाराष्ट्र कुलदेवी ,शक्ति स्वरूपा ,मां दुर्गा की आराधना के साथ होता है। नाना व तात्या के साथ अकेले युद्ध करते हुए मनु की वीरता ,गुरु द्वारा दिए गए दीक्षा उपदेश और घुड़सवारी में घायल नाना को महल तक पहुंचाने का प्रसंग, मनु की शौर्य गाथा का भव्य आरंभ है। झांसी के राजगुरु तात्या दीक्षित द्वारा विवाह प्रस्ताव लाना और झांसी के राजा गंगाधर राव नेवालकर से विवाह करके मनु का रानी लक्ष्मीबाई बनना इस नाटिका का द्वितीय पड़ाव है। घर के भेदियों के षड्यंत्रों से संतस्त एवं पुत्र एवं पति की मृत्यु से संतप्त, लक्ष्मी बाई का वीरांगना बनकर झांसी की बागडोर को अपने हाथ में लेना तथा अंग्रेजों के विरुद्ध संघर्षशील रहते हुए स्वयं को मातृभूमि के लिए न्योछावर कर देना इस कथानक की परिणति है।

जगाओ खुद पर वह विश्वास कि शत्रु भी करें नमन तुमको

स्वदेश सेवा में रत रहकर अस्तित्व महान बनाना है तुमको

आत्मा की अमरता के संदेश के साथ-साथ महारानी लक्ष्मी बाई के उदात्त चरित्र को समस्त नारी शक्ति के मध्य स्थापित करने का प्रयास इस नृत्य नाटिका में किया गया है।

लक्ष्मी बाई स्वयं बनी बलिदानों की आन - किया समर्पित स्वयं को करने सबका उत्थान।।

प्रकृति की गोद

प्रकृति की गोद में वो सुख है, जो हजारों की संपत्ति पाकर भी नहीं मिलता। इसके सानिध्य में रहकर मनुष्य जीने की प्रेरणा पाता है। प्रकृति की हरियाली में सुख और शांति है। आधुनिकता में सुविधाएँ हैं परन्तु सुविधाएँ जीने के लिए काफी हो यह भी संभव नहीं है। एक समय था जब चारों ओर आधुनिकता के लिए लोग मारे-मारे फिरते थे। आज एक समय है, जब मनुष्य प्रकृति की ओर मुड़ रहा है। आधुनिकता में आकर्षण है परन्तु उस आकर्षण का प्रभाव लंबा नहीं होता है। जब इस आकर्षण का मोहपाश खुलता है, तो मनुष्य हैरान रहा जाता है। प्रकृति का प्रभाव सरल, शांत सुखकारी है, यहां शीतलता भी है, चंचलता भी है, विरल शांति भी है, मन को प्रसन्न करने वाले दृश्य भी हैं। अतः हे मनुष्य तुम इसकी ओर बढ़ो और अपने जीवन को सुख से भर लो।

किसी ने बांधा है पीठ पर

अपना बच्चा

तो किसी की पीठ पर है चाय की

टोकरी

कोई व्यस्त है व्यवस्थित करने में

अपनी छोटी सी कोठरी

तो किसी को चिंता है

शाम की रोटियों की

पर फिर भी वे सब

काम पर जाती हैं

हंसती हैं खिलखिलाती हैं

ढोती हैं अपने सिर पर

कभी ईंटों का भारी टोकरा तो

कभी करती हैं चिनाई

कोमल हाथों में लेकर गारा

तोड़ती है पत्थर कभी हथौड़ी से

तो कभी बीनती हैं पते

गहरे बीहड़ से

चूड़ियां कभी, कभी बीड़ी बनाती हैं

काम पर जाती हैं

हंसती और खिलखिलाती हैं

मृदुता सौंदर्य और परिधान की

चिंता कहां है उनके मन में

परिश्रम ही लिखा बस उनके

जीवन में

पर अपनी हंसी में ही वे

अपनी पीड़ा छुपाती हैं

यह मजदूर औरतें

हंसती हैं खिलखिलाती हैं

धूप में जलता है तन पसीने से

नहाती हैं कोमल हाथों में पड़े छालों

का

दर्द भी सबसे छुपाती हैं

कितना कम लेकर समाज से

कितना कुछ दे जाती हैं

पर अपनी संतान के भविष्य की

चिंता में ही घुली जाती हैं

फिर भी यह मजदूर औरतें काम

पर जाती हैं

हंसती हैं खिलखिलाती हैं।।

मेरा भाई

भाई तुम हो, हरदम मेरे पास।

तुम हमेशा देते हो ,मेरा साथ ।

आज हुआ मुझे ,यह एहसास ।

भाई हरदम हो ,तुम मेरे पास।

भाई ,तुम घर का उजियारा।

भाई, तुम मेरी आंखों का तारा।

भाई, तू हमारे जीवन का सहारा ।

मेरा भाई है ,कितना प्यारा!...

घर से दूर गई मैं, क्या ऐसी ?

घर से दूर हुई मैं ऐसे ।

छूटे खेल -कूद और मस्ती ।

भाई ,तुम हमेशा रहना मेरे पास।

यही है, मेरी ईश्वर से अरदास।

सुंदर कौन

वह कि जिसके नयन कजरारे हैं या कि वह जिसका दृष्टिकोण व्यापक है- सुंदर कौन जिसके कपोल गुलाबी हैं या कि वह जिसकी स्मित मुस्कान हृदय को भली लगती है।- सुंदर कौन

वह कि जिसके अधर सुंदर है या कि वह जिसकी वाणी मधुर है।- सुंदर कौन जिसके हाथ सुंदर है या कि वह जो सदैव दान करता है- सुंदर कौन जो गौर वर्णा कमनीय गात है या कि वह जो उदात्त चरित विशाल हृदय है। सच कहूँ तो सुंदरता की अपनी एक विशिष्ट परिभाषा है।

गौर वर्ण, कजरारे नयन, गुलाबी गाल, रक्तितम अधर, साँचे में ढला शरीर, यद्यपि कवियों द्वारा नख- शिख वर्णन हेतु प्रतिमान हो सकते हैं परंतु मनुष्य की वास्तविक सुंदरता उसके आंतरिक व्यक्तित्व एवं उत्तम गुणों में ही निहित है। दृष्टिकोण की व्यापकता, हृदय की उदारता, दान, परोपकार, सज्जनता, क्षमादया सहज मुस्कान, आत्मीयता, सहयोग एवं सहानुभूति मानव के ऐसे आभूषण हैं जो उसे सामान्य से विशिष्ट बनाते हैं।

तार्किकता और बौद्धिकता के इस प्रतिस्पर्धा युग में इन मानवीय मूल्यों की कमी सर्वत्र परिलक्षित हो रही हैं। आइए हम स्वयं को आत्मिक रूप से सुंदर बनाएं। मानवीय मूल्यों को अपनाएँ। भारतीय संस्कृति और संस्कार के अनुरूप जीवन शैली को अपनाएँ।

हमारी आवाज़ नहीं हमारी वाणी मधुर हो।

हम सुकोमल ना सही हमारी भावनाओं में माधुर्य हो।

हम सभी के प्रति आदर, सम्मान अपनेपन एवं विनम्रता से भरा उदार दृष्टिकोण रखें।

प्रत्येक जरूरतमंद की अपने सामर्थ्य अनुसार धन, विद्या, वाणी इत्यादि से सहायता करने का भरसक प्रयत्न करें। यदि प्रत्येक प्राणी ऐसा करने का प्रण ले तो यह सृष्टि सचमुच अनुपम हो जाएगी।
